

Easily Amused Contract Rider

This rider is a part of the contract between Easily Amused and _____
for the performance at _____ in _____, on _____.

PARKING

Renee and Keith will need a loading or parking permit for the day they will appear on your campus.

SOUND and LIGHTING REQUIREMENTS

Renee and Keith will bring their guitars. This leaves the following list for you to provide:

1. Speaker or speakers appropriate for the space.
2. Sound board or input terminal with at least four, inputs (two for voices, two for guitars).
3. 2 Vocal mics, mic bookstands, and mic cords.
4. Smiles
5. 10 band EQ and Compression (not required but preferred)
6. 1 effects rack if available (not required but preferred)
7. 2 acoustic guitar stands if available (not required but preferred)
8. 2 monitors. Two separate mixes preferred (not required but preferred)

* Lighting adds a lot to the show and your best effort in that area will certainly pay off, but there are no exact requirements.

FOOD & LODGING

Renee and Keith will need a non-smoking double hotel / motel room for the night of the performance or the evening before, depending on the time of the performance. If you are unable to provide this, please add \$75 Hotel Buy Out to the purchase price. A meal, on campus or off, is much appreciated but not required. Six bottled waters preferred on stage prior to show.

SOUND CHECK

To avoid last minute stress, sound check should begin one hour before the performance time. The sound system should be set up by this time, and if possible the venue should be unoccupied.

VENUE and MERCHANDISING

The venue should be non-smoking. Distractions such as pool tables, Ping-Pong tables, TVs, or arcade games mean that you're not getting your money's worth out of the performance, so avoid them if at all possible. A small table or other surface for CDs is all that is required.
